**National Squad Programme**

**Selection Policy & Selection Times**

**2017 - 2018**

## **Introduction**

This paper sets out the overall principles guiding selection to Scottish Swimming Squads for the season 2017-18. The document incorporates the feedback we have received on the changes made over the last two years and contains the specific details of selection criteria for the coming season.

In considering any changes to the existing policy, which itself was most recently updated in 2015-16, several sources of information were used:

1. Swimmer tracking process 2008-2016 – a comprehensive appraisal of swimmer progress through the squad system to their highest achievement.<sup>1</sup>
2. Event depth research 2008-2016 – evaluation of the Top 25 GB rankings by gender, event and age each season.<sup>2</sup>
3. Coaches Technical Panel minutes 2008-2016
4. National Swimming Committee feedback

## **Background Context**

Scottish Swimming has operated a progressive series of “national squads” for several years as part of what we now call the “Swimmer Pathway”. These have been questioned, challenged, refined and shaped continuously, however they have been a constant in the swimming landscape for over two decades. In recent years, initiatives like Mindset and Long Term Athlete Development (LTAD) have influenced the policies leading to selection for squads. In addition to this, developmental projects like Pathway to Performance, Flying Start and DRP have superseded the previously used District Squad structure for younger swimmers.

The selection policy & rationale document update (2009) stated that;

*“The development of swimmers cannot be rushed and each athlete must be supported as an individual. A swimmer should improve over a range of abilities initially, and focus on specific events only when reaching a higher level of performance. Selections should be structured so that the appropriate physical development will be encouraged at the appropriate time.*

Whatever the prevailing mood is in youth sport development or academic research, this statement is still a fitting description of what underpins our current thinking. Investment from **sportscotland** and the Scottish Swimming membership has been secured for the next cycle and we need to build on the successes of recent years and consider the lessons learned and feedback received.

Another exciting season of both domestic and international swimming has seen some outstanding achievements from Scottish swimmers on the Olympic stage and there continues to be positive progress in Scotland in terms of our swimmers achieving better outcomes in British and World rankings. However, global standards continue to move forward and therefore we cannot take future success for granted. As we develop our system and drive our expectations upward therefore, we need to focus on the future, more effectively supporting our existing world-class swimmers and enhancing our long-term swimmer pathway.

<sup>1</sup> The swimmer tracking exercise was completed on all swimmers who achieved National Squad selection times since 2008.

<sup>2</sup> Event depth research illustrates trends in performance development across all events and ages within the British top 25.

## **Summary**

The numbers shown in the table below represent the qualifying statistics for each of the squads in the national programme over the past five (5) years. These figures and successful results at international level, coupled with and taking into account the approach of maintaining silver and bronze times over this period, represent further evidence of sustaining standards at the top end of the sport relative to the qualifying measures. However careful and further consideration around the numbers targeted and selected at the development stages is still required and as noted in the revised document two years ago, continues to be reviewed on an annual basis<sup>3</sup>.

<b>Squad Year</b>	<b>2012-13</b>	<b>2013-14</b>	<b>2014-15</b>	<b>2015-16</b>	<b>2016-17</b>
Bronze (11-14)	382	287	228	246	247
Bronze (15+)	60	55	41	27	37
Silver (13-16)	66	57	44	47	62
Gold (14-16)	27	17	24	25	16
Silver (17+)	32	29	20	22	24
Gold (17+)	31	39	36	26	20

Looking at the gender split over these 5 years there is a clear pattern of more girls than boys achieving the younger (11-14) Bronze times, with the total percentage split being 62%:38% respectively. At the higher levels, there is more gender parity and we will continue to monitor these trends with a view to making any necessary adjustments in the future.

Additionally, there is an ongoing need to consider capacity in the delivery of quality support to swimmers and coaches. Inevitably, there is a finite amount of resource (e.g. science, medicine and ancillary resources) available - specifically at the senior level of the sport and consequently overall numbers within each squad need to be considered.

## **Selection Policy Principles**

Taking this into account, the following principles will underpin the selection policy for Scottish Swimming Squads 2017-18:

1. The overall thrust of the policy remains a desire to identify & support swimmers progressing towards meeting the specific Performance Plan target of 6-8 swimmers in the Top 15 world rankings (2 per nation) each year. To maintain consistency with previous policies, world top 15 times have been used to calculate base times and for this policy, these have been generated using an average top 15 placing from years 2013 - 2016 in the World Rankings (2 per nation).
2. To reflect changing standards in World swimming, base times will continue to be re-calculated on an annual basis.
3. The age for peak performance in an event continues to be used as a factor in generating base times and these have been recalculated using the average age of swimmers in the world top 15 from 2013, 2014, 2015 and 2016.
4. Having reduced the percentage gap between Bronze/Silver times and the Gold times over the past three years (Ages 15+), the gap between will remain the same with the expectation that this will continue for the 2017-18 season. Times may however be faster due to the re calibration of Senior Gold.
5. As per the previous commitment to review trends on a regular basis, the Bronze (11-14) times will remain at the current standard, in alignment with the previously established "broader-based" approach.
6. At age 17+, selection for Senior Squads will continue to use a combination of time based achievement and qualitative assessment as established in the 2015 revised policy.

7. Distinctions for boys and girls reflecting the trend in sport more widely to recognise gender differences in maturity and development will be increasingly and specifically applied to selection and squad programming<sup>4</sup>.
8. Mindset principles will continue to play an important role within the selection policy and squad programming.
9. The National Coach in consultation with the Performance Director, ensuring that a measure of professional judgement is used to support potential across the pathway, will continue to apply a discretionary approach to selection as established in the 2015 revised policy. Please see the “Discretionary Selections” section for details of how this approach will be applied.

<sup>4</sup> For example, Project Ailsa or targeted events for female/male swimmers

## **Level and Ages**

Swimmers are able to attain the three different levels of achievement (Gold, Silver, and Bronze) at the following ages:

Level	Boys Age	Girls Age
Gold	14yrs+	14yrs+
Silver	13yrs+	12yrs+
Bronze	11yrs+	11yrs+

The age differential for Gold and Silver squads supports the recognition of the gender split noted in the principles of selection. The entry age for Bronze (DRP) is maintained at 11+ for boys and girls to enable a broad based approach to selecting and supporting potential.

## **Number of Times Required**

It is widely recognised in effective long-term swimmer development planning that successful senior swimmers undergo a good background of multi-event aerobic training in their formative years. In order to continue promoting this practice among Scottish swimmers and coaches, swimmers are required to achieve selection times in one or more 200 metre or longer events from ages 11 through to 15. From 16 years onwards, swimmers are able to achieve the selection times in any event distance. Please note also that swimmers will only be able to achieve times in 50m events from age 16 upwards, and at the age of 16 only one 50m time can be used.

Within the para-swimming pathway, due to classification restrictions, there is a limitation on the number of events which are recognised as Paralympic championships events. Athletes will, therefore, be considered for selection on achieving one selection time regardless of stroke or distance. Athletes will, however, be encouraged to compete over a range of strokes and distances and the range of events in which times have been achieved will be considered when allocating swimmers to a National Squad.

### Number of Times Required

Age	Gold		Silver		Bronze	
	Boys	Girls	Boys	Girls	Boys	Girls
17+	1*	1*	1*	1*	1*	1*
16 †	2 (max 1 x 50m event)	2 (max 1 x 50m event)	2 (max 1 x 50m event)	2 (max 1 x 50m event)	2 (max 1 x 50m event)	2 (max 1 x 50m event)
For 11-15 years selection events must include 1 swim from 2 of the following 3 categories – 50m events excluded: <u>Freestyle, Form, I.M.</u>						
15 †	3 (min 1 @ 200+)	3 (min 1 @ 200+)	3 (min 1 @ 200+)	3 (min 1 @ 200+)	3 (min 1 @ 200+)	3 (min 1 @ 200+)
14 †	4 (min 2 @ 200+)	4 (min 2 @ 200+)	4 (min 2 @ 200+)	4 (min 2 @ 200+)	4 (min 2 @ 200+)	4 (min 2 @ 200+)
13 †	N/A	N/A	4 (min 2 @ 200+)	4 (min 2 @ 200+)	4 (min 2 @ 200+)	4 (min 2 @ 200+)
12 †	N/A	N/A	N/A	4 (min 2 @ 200+)	4 (min 2 @ 200+)	4 (min 2 @ 200+)
11 †	N/A	N/A	N/A	N/A	4 (min 2 @ 200+)	4 (min 2 @ 200+)

**200+** = all 200m, 400m, 800m and 1500m events.

Example: A swimmer aiming to achieve Gold level at 16 years needs to achieve 2 Gold times in any two events, but only one 50m time can be used.

**\* Senior 17+**

- Senior 17+ - swimmers achieving times in 50m events only will not be guaranteed selection, performances across 100m or 200m time (long course, same stroke as the 50m event) will also be taken in to consideration before selection.

**† 11-14yrs Bronze and Silver 12 – 16yrs Girls and 13 – 16yrs Boys**

- Swimmers will only be selected following the completion of the Mindset assessment questionnaire by the respective club Head Coach.

**Ages as at 31<sup>st</sup> December 2017**

***Important Notes:***

Achieving the selection standards **does not guarantee** a swimmer a place on a Scottish Swimming National Squad. However, all swimmers achieving the identified selection standards will be **considered** for selection based on the processes described in this document. The final stage of the selection process is ratification by the Aquatics High Performance Group (AHPG).

- Final selection to the various National Squads is subject to, (1) maximum number limits as determined each year by the Director of Performance & National Coach, and (2) financial resources available to Scottish Swimming at the time of selection.
- Support services from the sportscotland Institute of Sport Network are not obligatory at any level and are subject to agreement from the AHPG.

## **Discretionary Selections**

Appreciating that delivering successful results on the international stage is both a difficult and highly complex process, Scottish Swimming has taken the view that it is important that all swimmers who demonstrate the capability to do this receive the support they require. It is recognised that some circumstances will inevitably arise whereby it is necessary for the National Coach, in consultation with the Performance Director, to place a swimmer within the appropriate level of the National Programme according to their developmental need, not necessarily their chronological age. This may include swimmers being offered National Squad positions whom are either above or below that which they have achieved consideration times. It may also include swimmers being selected for squads without achieving a consideration time. This is designed to apply a measure of professional judgement towards assessing swimmer potential.

When acting in these discretionary situations, the following will be reviewed:

- Past, current and planned level of training, including the daily training environment
- Rate of performance progression
- Achievement (or otherwise) of previously agreed targets
- Number and nature of qualifying times required and achieved
- Current level of support and the duration of support provided and required
- Percentage away from selection times (present and future)
- Mindset
- Chronological, developmental and training age of the swimmer
- Discussion with home coach on some or all of the above factors

All selected swimmers will be required to sign and abide by the Scottish Swimming Swimmer Athlete Agreement.

## **Eligibility**

All swimmers wishing to be considered for Youth Development, Youth Gold or Senior Gold/Silver/Bronze National Squad selection must be eligible to compete for Scotland as defined by Company Rule 4.5.3

(<http://www.scottishswimming.com/media/1400877/2015-2016-Governance-Documents-Issue-7.pdf>) and be registered with SASA having paid their current registration fee.

## Selection Competitions

In order to be successful at international level, swimmers must be able to achieve their best performance in a single swim on a given day. The importance of this ability is recognised by identifying precise selection opportunities higher up the pathway. However, the philosophy of the 'Bronze' level is to be as inclusive as possible (11-14 years).

## Selection Process

The selection process will be managed by Scottish Swimming through the use of the Hy-Tek Team Manager National Database. All clubs and teams wishing to place swimmers on National Squads should use Hy-Tek Team Manager for maintaining results and must send relevant Hy-Tek results files to Scottish Swimming where necessary. Results from the following events will automatically be entered in to the database:

- All accredited meets held in Scotland (where those results have been submitted to Scottish Swimming as Hy-Tek results export files, or Sports Systems full meet archive files);
- Results of Scottish registered swimmers at British/ASA National Events;
- Results of Scottish swimmers competing at International Meets whilst representing Scottish/British Teams.

**Selection Meet Notes:**

- A list of selection meets will be maintained and regularly updated on the Scottish Swimming website [www.scottishswimming.com](http://www.scottishswimming.com) during the selection period.
- The organisers of L1 & L2 licenced meets must, in addition to sending results to British Swimming Rankings, provide Scottish Swimming with the Hy-Tek results file for inclusion in the selection meet list.
- District Swimming Convenors will notify Scottish Swimming of any meets or sessions in meets where accreditation was withheld. These meets will be removed from or highlighted on the list.
- It is the responsibility of clubs/coaches to check the list regularly to ensure that eligible meets (including accredited time trials, internal meets e.g. club championships, and non-Scottish meets) where their swimmers may have achieved DRP selection times are in fact included and to notify Scottish Swimming of any omissions by 4<sup>th</sup> July, 2016.

**All selections for the DRP will be made after the Scottish Summer Meet, 7<sup>th</sup>–9<sup>th</sup> July**

All results files and any queries should be emailed to: [info@scottishswimming.com](mailto:info@scottishswimming.com)

**Times that are not automatically entered into the database can be submitted as follows:**

- Individual results from meets outwith Scotland but within the Home Countries at Level 1 & 2 should be submitted by the swimmer's club on electronic file within four weeks of completion. For verification purposes, these results must be accompanied by the relevant printed meet results.
- Individual results from meets outwith the Home Countries should be submitted by the swimmer's club on electronic file within four weeks. Meets of an equivalent standard to Scottish Swimming License level 2 will be considered. Inclusion of these results will be subject to ratification by the Director of Performance. For verification purposes, these results must be accompanied by the relevant printed meet results.
- Times achieved in Scotland at accredited meets that are not on the Scottish Swimming website list must be forwarded on electronic file by 30<sup>th</sup> July 2017.

**General Selection Notes:**

- Coaches of swimmers on Senior Gold/Silver/Bronze/Youth and Youth Development Squads will continue to be notified of selection by Scottish Swimming.
- Coaches of swimmers on all squads will be required to complete and submit a "Mindset Assessment" before the deadline for swimmers to confirm their acceptance of their squad place. On receipt of both the "Mindset Assessment" and the "squad acceptance", selection will be ratified.
- Coaches of swimmers identified for the District Regional Programme will initially be notified by their respective District Swimming Convenor. Swimmers achieving 11 - 14 years Bronze times and selection criteria will be invited to participate conditional on receipt of a 'Mindset Assessment questionnaire' by the Club Head Coach to Scottish Swimming.

## **Appeals Process:**

### **Gold and Senior Silver Related Selections**

For appeals relating to Senior/Youth Gold and Senior Silver squads, the following athletes meeting one of the criteria below may appeal;

1. Athletes currently on the identified squads for the season 2016/17
2. Any athlete not selected for season 2017/18, having met the selection standards

Appeals shall only be considered if they address:

1. Selection process
2. Clarification of fact

Squad selections will be published by 11<sup>th</sup> August 2017 on the Scottish Swimming web site, following which all appeals must be received, in writing **via email**, including the grounds upon which the appeal is made, to the Scottish Swimming Chief Executive, by 4pm, 18<sup>th</sup> August 2017.

The appeals panel will meet and complete any appeals, informing athletes by 4pm, 21<sup>st</sup> August 2017.

The appeals panel will normally consist of;

- Scottish Swimming Chief Executive
- Scottish Swimming Director of Services
- sportscotland swimming Partnership Manager

Scottish Swimming reserves the right to alter the composition of the appeals panel. Panel member replacements will not include those involved with the original decision. The decision of the appeals panel is final.

### **Youth Silver and Bronze Related Selections**

Appeals will be received in relation to Youth Silver, Senior Bronze, Scottish talent Programme or District Regional Programme squads on the following basis only;

- Clarification of fact e.g. achievement of selection time standard.

Appeals of this nature for DRP should, in the first instance, be made directly to the respective District Swimming Convenor **via email** by 4pm, 18<sup>th</sup> August, 2017 (following notification by the District Convenor as described within the selection process). Any appeal made will be actioned no later than 21<sup>st</sup> August 2017.

Appeals of this nature for Youth Silver/Senior Bronze should be made directly to the Scottish Swimming Performance Director **via email** by 4pm, 18<sup>th</sup> August, 2017 (following publication of selections on the Scottish Swimming web-site by 16<sup>th</sup> August). Any appeal made will be actioned by no later than the 21<sup>st</sup> August, 2017.

## **This selection policy is being operated in accordance with the Scottish Swimming Equity Policy**

## APPENDIX 3

### 'Mindset'

Having a 'growth mindset' as opposed to a 'fixed mindset' is considered by many as critical to the likelihood of an athlete progressing over the long term. The table set out below highlights examples of both:

	More Fixed Mindset	More Growth Mindset
Belief that...	...talent is something you are born with and you have it or you don't and therefore you have a tendency to...	...talent is a process of learning and is not set in stone and therefore you have a tendency to...
Effort	...believe things will come easily if you have talent or that there are some things you just can't do. The danger is you don't learn how to work hard, understand how to improve or just don't try	...believe anything is possible and see effort as the path to mastery. The key is to endeavour to <u>understand</u> the development process and where to focus that effort
Challenges	.. avoid challenges you struggle with that make you look less talented. This can lead to you developing weaknesses in key areas	...embrace challenges as learning opportunities whether you can do them yet or not
Set backs	...give up easily in areas that you find difficult and stick with what you can do	...persist following setbacks and see them as part of the development process and <u>not</u> as a way of defining your ability
Negative feedback	...ignore useful negative feedback as it can undermine your talent	...learn from criticism and see it as an important part of understanding how to improve
Ownership	...feel it's not your fault if things don't work out	...understand you need to drive the process
As a result...	...plateau early and under achieve	...maximise potential
